

THE ROCKCASTLE HOMEMAKERS NEWSLETTER

MARCH
2024

ISSUE NO.
3

Upcoming Program

Our Homemaker groups are coming together to Sew for a Cause, benefiting infants undergoing hospital stays in the NICU at UK Hospital. We are looking for materials, and hands willing to help bring this project to life! Anyone interested in donating materials can drop them off at the Extension Office, or give the office a call to arrange someone to pick up the donations. We will be accepting already made tie blankets, small quilts, and crochet blankets. We also need donated materials and are looking for fabric –flannel, cotton or other soft material, NO GLITTER MATERIAL, batting, etc. If you cannot come to the sewing session on March 22nd from 10-3, and would like to make some in your free time, someone will be happy to collect those from you! These can be made anytime and picked up throughout the year as this is an ongoing project- the hospital is always in need!

Some ladies from county homemaker groups joined Hazel for a hand painted spring door hanger class on March 11th. A great time was had by all, and everyone left with a finished door hanger ready to Welcome Spring into their homes!

“The power of finding beauty in the humblest things makes home happy and life lovely.
Louisa May Alcott

Hazel is working on planning some Homemaker trips for this summer, so stay tuned for that info coming soon! We look forward to getting out and seeing new things!
